Company has its own machine for stainless steel department, mechanical works and as well construction purpose.

Scope of Work

Drive Thru Holdings conducts construction business , Spare parts, Mechanical and as well as Stain steel Sheet metal & fabrication . The company undertakes all maintenance duties for construction and stain steel works and organizations and conducts all the security and surveillance for the properties and as well as on motor vehicle.

Financial Considerations: The company expects to reach the desired profits in the this year and does not anticipate serious cash flow problems. We believe that the average profitability per month will be sufficient. However, we have current borrowing from the HFC Bank. Most of the company's liabilities come from management investment

OUR ACCOMPLISHMENTS

We have had a tremendous growth rate due to our reliability and well hearted ambitions over the few years, but most of all we have been able to provide a comfortable and fulfilling assurance to all our esteemed clients and our valued customers who have been throughout.

With numerous appearances, we have created an image of absolute integrity and exaggerated class that has no comparison.

Drive Thru “the friendly spare parts, car dealer and garage, construction and stain steel works” is achieving a better prospective view by the day through its convenient, competent and comfortable drive image that has been created and maintained for the past 5 years.

We have acquired the best high performance equipment and facilities to maintain and restore our services, as well as supplying the genuine car parts to our customers and supplying the best Japanese second hand motor vehicles as well as carry out the best construction jobs

TRUST, INTEGRITY AND CUSTOMER SERVICE

When it’s time to choose a maintenance facility to care for your vehicle or in the area of construction works , it all comes down to matter of trust. Here at Drive Thru Holdings, we assure that your vehicle is in capable hands, and the assurance that it will be completely mended to its original performance and beauty, together with that your dream house will become a reality.

Even though we restore your vehicle’s original factory appearance, we are committed to deliver more than just a cosmetic makeover. We assure to repair your vehicle so it once again meets factory specification. Once the repairs are completed, you can be as confident of your vehicle’s performance as you were the day you bought it.

SERVICE WE OFFER IN MECHNICAL & CAR PARTS

General Mechanical Repair

We do all types of engine repairs which include motors, cars, single wheels 4- wheels, trucks, boat engines, power plants, water pumps.

General body works

We also deal with overall vehicle body maintenance in accordance to LTA standard. When it comes to Drive Thru Holdings (body work) you are getting complete body repair not just inconspicuous makeover job that covers the damage done to your vehicle. We pride ourselves on our service and use the best equipment when it comes to body works.

Smash Repair

With our latest machinery and expertise we handle all types of accident and dent vehicles so it looks back into its original shape and beauty.

Painting /Buffing/Polishing

Automotive painting and refinishing is truly and art. Properly matching the exotic finishes found on many of today's vehicles requires special expertise in application techniques.

Our painters combine the latest techniques with the keen eye of an artist to restore the luster and beauty of your vehicles original finish. We do general painting, which also includes 2-pac painting. We use the top quality paint that is guaranteed by our supplier.

Insurance Jobs

We also work with all the insurance companies to repair insured vehicle

Repairing today's high tech vehicles requires training, expertise and expensive knowledge of sophisticated equipment. At Drive Thru Holdings, a family business we take pride in our dedicated techniques that possess a thorough understanding of today's advance repair techniques.
